Introduction

This guide has been developed by NEPO to provide public sector organisations with an overview of the NEPO Framework Agreement for the Supply of Volume Cut Sized Copier Paper and Production/Specialist Paper (NEPO425).

NEPO425 for the Supply of *Volume Cut Sized Copier Paper and Production/Specialist Paper* provides public sector organisations across the UK with access to a Public Contract Regulation (PCR15) compliant, value for money solution. NEPO425 provides immediate and direct access to Antalis Ltd/Elliott Baxter & Premier Paper Group for the Supply of *paper*.

The contract was procured by **NEPO**, a public buying organisation that was established in 1976 to undertake high-value procurement in major strategic areas of spend. NEPO provides an agile and responsive contract management service that ensures customers' requirements are met and the supplier maintains a high standard of performance.

Why use NEPO425 for the Supply of *Volume cut sized copier paper and production/specialist paper*?

<p>Experience</p>  <p>NEPO has a dedicated Professional Services Team with a wealth of experience in providing framework contracts.</p> <p>NEPO use their expertise and experience to ensure the service they provide meets the individual requirements of each customer.</p>	<p>Value for Money</p>  <p>NEPO consistently secure highly competitive solutions. This Framework Contract is structured with 2 Lots which comprise of Lot 1 being Production/specialist Paper (Print room requirements) and Lot 2 Volume Cut Sized Copier Paper, each of which have been awarded to three suppliers.</p>
<p>Dedicated Contract Management</p>  <p>All of the suppliers on the framework work together with NEPO to provide a professional, comprehensive and hassle-free service to customers.</p> <p>NEPO manages the delivery of the service on behalf of the customer, ensuring that the supplier continues to meet and exceed the requirements of customers.</p>	<p>Bespoke and Agile Service</p>  <p>NEPO425 <i>Volume cut sized copier paper and production/specialist paper</i> has been set up to be flexible, allowing the bespoke requirements of a diverse range of customers' needs to be met.</p> <p>NEPO works with each customer at implementation stage to understand their requirements and ensure the service delivered is tailored to their needs.</p> <p>Contracting authorities have the option to undertake a mini-competition for larger volumes of paper or for price requirements not covered in the pricing schedules.</p> <p>Quick and easy access to a multiple supplier solution.</p>

Compliance

NEPO's Professional Services contracts are designed for the public sector.

They have been awarded on a value for money basis, following competitive tender exercises that are fully compliant with the Public Contract Regulations (PCR15).

Additional benefits

This Framework solution offers a compliant route to market avoiding the need for individual entities to undertake a full OJEU tender process, therefore saving time, resources and finances.

All papers under this framework meet FSC and PEC certified standards

Free of charge next day delivery (where the minimum order value of £75 has been reached)
